

JOB OPPORTUNITY – CRECHE WORKERS

Various hours available (part time / casual)
@ Life Leisure Stockport Sports Village and Life Leisure Romiley
Circa £14,000 - 15,000 per annum pro rata / £7.38 - £7.83 per hour

At lifeLEISURE we have exciting opportunities for Creche Workers to join the team.

About this role:

Our Crèche Workers are enthusiastic, responsible and hardworking individuals who deliver exceptional childcare to our members' children. With the ability to develop and deliver a wide variety of fun sessions to children, applicants should hold a childcare qualification.

For many of our team members the crèche has been their long-term chosen role, seeing members' children grow and develop into the next generation of members. Equally the role has been a stepping stone towards a career in the leisure industry, with crèche workers going into other areas of the business and management roles over time. Similarly members of the team have chosen crèche work as a 2nd career, a part time job after retirement or whilst raising a family, or even as a short term job between further education or travelling.
