School Teaching

We are looking to expand our schools teaching team. Many of the available hours for the next academic year will be working alongside existing schools staff and therefore we welcome new staff to schools as support and mentoring will be on hand. All schools hours are 35 weeks therefore there is no holiday entitlement.

We will also have a few schools that will require an additional teacher in the water, usually for a term. If anyone is interested in daytime hours starting from September 2022 please contact us with your availability.

Shortlisted for The Innovation Award

Holiday courses

If anyone is interested in teaching holiday courses please contact your pool coordinator directly
