

Plan your visit to Life Leisure Romiley

**When I visit Life Leisure Romiley
there are lots of things to:**

SEE

HEAR

TOUCH

SMELL

Outside Life Leisure Romiley

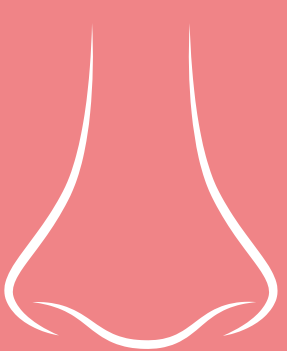

See people, cars, buses, motorbikes, pedal bikes, or even some animals from the farm next door.

Hear cars, buses, motorbikes driving around. I may also hear people and children.

Touch concrete, bricks, glass, metal or water from the rain!

Smell fumes from the cars, motorbikes or buses. I may also smell chlorine from inside the centre.

lifeleisure

Romiley Reception

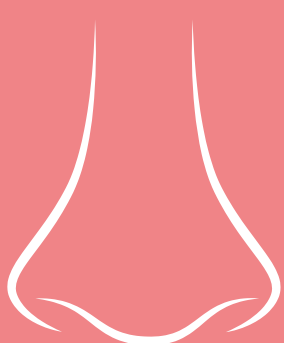

See chairs, tables, vending machines, signs, lights, people, and staff members.

Hear people talking, fans, beeping from machines, a Hoover.

Touch concrete, glass, wood, steel, plastic and maybe other people brushing past me.

Smell coffee from the machines, the chlorine from the swimming pool or cleaning supplies.

What to do at reception

1.

I may have to wait in a queue if reception is busy.

2.

I or the person with me will pay for our activity such as a swim, gym or class.

3.

If I need help or do not like to wait, I or the person with me can ask for help.

4.

I will be given a wristband for swimming. If I don't want to wear it, the person with me can wear it for me.

5.

I will go through the glass gates to my activity, and the gates may beep.

lifeleisure

Before swimming

1.

I need to find a free changing room, there are single changing rooms and family changing rooms to choose from.

2.

I then need to get changed into my swimsuit or swimming trunks.

3.

Once I am changed, I and my family who i am with will need to pop our things into one of the lockers available.

4.

I will need to Shower before entering the pool, there are open showers or showers with doors on. This helps keep the swimming pool clean for everyone.

lifeleisure

Showers

Swimming time

See people in and out of the water, a small pool and a large one, a slide in the small pool in the shape of a crocodile, staff members, a large inflatable, coloured mats and toys, a lift poolside.

Hear people talking, shouting, laughing, the lifeguards whistle, an alarm, water splashing, music, the fire alarm and flashing, if this happens the person with me will tell me what to do.

Touch water on my body and head, tiles under my feet, the band on my wrist, goggles, ear defenders or a swimming cap if im wearing one. People going past me. My swimsuit or trunks against my skin.

Smell chlorine, this helps keeps the water clean.

Inflatables

Accessibility

We have accessible showers, a lift down to the pool, accessible changing areas and accessible toilets.

Accessibility

If you need any additional support in getting changed there is a changing place. You will also see a hoist and a toilet and a shower.

Summary of the steps into the pool

1.

Visit our reception desk to get your wristband.

2.

Go to the changing village and find a changing room and put your swimsuit or swim trunks on.

3.

Put your belongings into a locker and have a shower before getting into the pool.

4.

Enter the pool using the steps.

HAVE FUN!
