

## Lifeguard Job Description & Person Specification

### Full Time Hours Available

Various Life Leisure locations across Stockport

£10.42 per hour

### **About this role:**

Our Lifeguards are enthusiastic, responsible, and hardworking individuals who supervise a wide variety of swimming sessions, maintain the centres' high standards of cleanliness, and assist with general day to day operations. They are one part of our amazing aquatics team that is made up of enthusiastic Apprentices, Lifeguards, Swimming Teachers & Coaches, all of whom enable our customers to enjoy water-based activities in a fun and safe environment.

Lifeguarding can also be a stepping-stone towards a career in the leisure industry; many of our team have progressed into other areas of the business and management roles over time. If you'd like to know more about the importance of Lifeguards, the responsible nature of this role and skills it can allow you to develop, you can visit the Royal Life Saving Society's information website: <http://www.rlss.org.uk/bealifeguard/>.

**Reporting to:** General Manager, Duty Managers

### **Job Purpose:**

To assist in the smooth running of the pool area by providing a first-class service. To promote the business, enhance customer satisfaction and the image of the department.

**Person Specification:** The Lifeguard position at Life Leisure is at the heart of the business. Lifeguards should have experience and full knowledge of pool regulations and water testing. They will be confident in their position and able to promote a safe environment. They will have an outgoing personality and be able to deal with all types of people in a professional manner.
