

Health and Fitness Coach – Full time, part time and casual hours available!

Are you passionate about working in a customer focused environment and delivering an exceptional fitness service?

Would you like to work for an award-winning Employer and Non-Profit Organisation?

Do you hold a REPs level 3 Personal Training qualification?

If you answered yes to all the above questions, we would love to hear from you!

At Life Leisure we have exciting opportunities for Health & Fitness Coaches to join our award-winning team!

Health & Fitness Coaches must have the self-drive and determination to meet the highest of standards whilst having the personality and behaviours to make a positive impact on the gym floor.

With a genuine flair and passion for health & fitness and member interaction, the successful candidates will need to be experienced in consistently delivering high level member experiences that engage and inspire gym users. This will require exceptional communication, a high level of fitness expertise, up to date fitness knowledge and instruction skills to lead fitness courses and deliver positive change, inspiration, and achievement to our members.

Health & Fitness Coaches are expected to be a key player in Life Leisure's retention strategy. They will improve income opportunities by delivering a variety of excellent group gym sessions, group exercise classes and personal training sessions.

This role has been a steppingstone for many of our team members who have followed personalised training plans and progressed either into leisure management or built their own personal training businesses. If you are interested in this role and future development with Life Leisure, then you should apply for this role.

Job Type: Full Time / Part-time and Casual hours available.

Salary: From £10.42 per hour
